

Requirements to Qualify

The requirements listed below are the minimum levels expected from the professional indicated in order to qualify to proceed to the second phase, Requests for Proposals.

For Township Conflict / Special Projects Engineer

The Township Conflict / Special Projects Engineer shall have all applicable licenses to perform general engineering in NJ. The firm must be multi-disciplined with at least eight (8) years experience in all aspects of municipal engineering including but not limited to expertise in road construction, construction management, water & sewer plant construction with engineers who held licenses in these areas, land use law experience, planners & landscape engineers on staff, experience in environmental studies assessments (wetlands, archaeological, endangered species, hydrologic studies, storm water management), GIS, materials testing, surveying, traffic studies, drainage, and extensive knowledge NJDEP rules and regulations. The individual appointed or assigned by a Firm shall have been licensed as an engineer for a minimum of five (5) years and have five (5) years prior experience as a Municipal Engineer. The appointed engineer may, in his/her discretion be assisted by employees of his firm with lesser levels of experience. Alternatively, the Township will consider candidates who meet the experience levels set forth above through devotion of a significant portion of their practice time to representing municipal entities but who may not have achieved the requisite number of years as the appointed Township Engineer. Such candidates shall submit at least two (2) letters of recommendation from engineers who meet the time of service as Township Engineer requirements.

Please explain how you or your firm meets the minimum requirements. (Attach additional sheets, if necessary.)

REQUEST FOR PROPOSAL

Proposals will be evaluated by a Committee or Board Subcommittee, as appropriate. The undersigned individual, firm, or corporation, hereby proposes to serve as Township Engineer in accordance with the following:

- A. Names, title and license of all the individuals who may perform the service and/or activity.
- B. A description of the individuals or firm's experience with similar services or projects.
- C. A list of references and record of success.
- D. Demonstration of areas of expertise of staff.
- E. A description of the individual or firm's ability to provide the service or complete the activity in timely fashion or as required by the Township.
- F. A fee schedule for the firm.
- G. Availability to accommodate any required meetings of the municipality.

The Township reserves the right to conduct an interview or interviews with the prospective professional to discuss the scope of the project as outlined in their proposal.

In the event that compliance with part or all of the requirements of the RFQ/RFP is impracticable or undesirable with regard to a particular contract, the Township Committee may waive part or all of the requirements by a majority vote of the full Township Committee. The waiver shall set forth specifically the reasons for such waiver.

All awards or waivers shall be by Resolution acted upon by the Township Committee at a Township meeting. All awards are subject to availability of funds.

All respondents shall comply with the Business Registration Act and Affirmative Action obligations as required by State law.

To be considered, a proposal for the above position must be received on or before December 11, 2019, NO LATER THAN 10:00 A.M. All submissions shall be: two paper copies in a sealed envelope with "Submission of Qualifications / Proposals for [Name of Position]" marked on the outside to: Susan M. Dydek, Township Clerk, 237 S. Pavilion Ave., Riverside, NJ 08075.
